

Vantree Technologies — Employee Handbook

Document ID: HR-HB-01 | Version 4.2 | Last updated: March 2026 | Owner: People Operations

1. Company Overview

Vantree Technologies is a B2B software company headquartered in Amsterdam, Netherlands, with satellite offices in Austin, Texas and Bengaluru, India. Founded in 2018, Vantree builds Vantree Workflow, a project and resource management platform used by mid-market operations teams. As of 2026 the company employs approximately 340 people across engineering, sales, customer success, and operations functions.

2. Code of Conduct

All employees are expected to act with integrity, treat colleagues with respect, and avoid conflicts of interest. Harassment, discrimination, and retaliation of any kind are prohibited and will result in disciplinary action up to and including termination.

Employees who become aware of a potential violation should report it to their manager, People Operations, or through the anonymous ethics hotline at ethics@vantree.example.

3. Leave and Time Off Policy

Full-time employees accrue 24 days of paid vacation per calendar year, accrued at a rate of 2 days per completed month of service. Unused vacation may be carried over up to a maximum of 10 days into the following year; any balance above that is forfeited on December 31.

Employees are also entitled to 10 paid sick days per year, which do not carry over. Sick leave beyond 10 consecutive days requires a doctor's note and may be reclassified under the short-term disability policy (see Section 3.4).

Parental leave: primary caregivers receive 16 weeks of paid leave; secondary caregivers receive 6 weeks of paid leave, both usable within 12 months of the birth or adoption date.

Leave Type	Paid Days/Weeks	Carryover	Approval Needed From
Vacation	24 days/year	Up to 10 days	Direct manager
Sick leave	10 days/year	None	Direct manager
Parental (primary)	16 weeks	N/A	People Ops + manager
Parental (secondary)	6 weeks	N/A	People Ops + manager
Bereavement	5 days	N/A	Direct manager

4. Remote Work Policy

Vantree operates a hybrid model. Employees within commuting distance of an office are expected to work on-site at least 2 days per week; fully remote arrangements require VP-level approval and are reviewed annually.

Remote employees must maintain a stable internet connection (minimum 25 Mbps download) and be reachable during their team's core hours, defined as 11:00–16:00 in the team's primary timezone.

Equipment for home offices (monitor, chair, desk) can be reimbursed up to €500 once every three years through the Expense Reimbursement process described in Section 5.

5. Expense Reimbursement Policy

Business expenses (travel, client meals, conference fees, approved software subscriptions) are reimbursed via the Expensify platform. Receipts are required for any expense over €25. Reports must be submitted within 60 days of the expense date; reports submitted later are reimbursed at manager discretion only.

Client meal reimbursements are capped at €80 per person. Alcohol is reimbursable only when part of a client entertainment event and does not exceed 30% of the total meal cost.

6. Performance Review Process

Formal performance reviews occur twice a year, in June and December. Reviews combine a self-assessment, manager assessment, and lightweight 360-degree peer feedback from 2–4 nominated colleagues.

Ratings use a 4-point scale: Exceeds Expectations, Meets Expectations, Partially Meets Expectations, and Below Expectations. Two consecutive 'Below Expectations' ratings trigger a formal Performance Improvement Plan (PIP) managed jointly by the manager and People Operations.
